

# The Bionic Bioreactor Company

We provide a first ever solution  
to scalable & controllable cell  
therapy manufacturing.

## Product Overview

### ComfyCell Benchtop

#### Volume

Seamless transition from 300mL to 10L  
with one controller

#### Analytics

Advanced online sensors for  
DO, pH, Temperature and more

#### Environment

Standalone closed  
system that fully  
controls cultivation  
process

#### Perfusion

Compatible with a  
wide range of  
perfusion processes
