

CellStore Integrated Workflow Overview

01

Cell Culture

Dissociation Solutions ·
Culture Bags · Cytokines

02

Cell Harvest

Closed-System
Harvesting &
Concentration

03

Cryopreservation & Controlled-Rate Freezing

Formulation Controlled Freezing

04

Cell Storage

Vapor-Phase &
Liquid-Phase LN₂ Storage

05

Cell Transport

Dry Shippers ·
Vapor-Phase Transport

06

Cell Thawing

Water-Free
Automated Thawing

Integrated solutions from cell preparation to standardized thawing
